

2022 CHEROKEE

Jeep®

2022 JEEP® CHEROKEE

Jeep® Cherokee arrives with its legacy of authentic style and capability brightly shining. This renowned SUV is powered by a selection of two proven Jeep engines with your choice of three optional Jeep® Brand 4x4 systems. Every Cherokee rides with standard Blind Spot Monitoring^{1*} and Rear Cross-Path Detection² Systems, Full-Speed Forward Collision Warning with Active Braking,³ LaneSense® Lane Departure Warning with Lane Keep Assist⁴ and rain-sensitive windshield wipers. Plus, every Cherokee is Jeep Wave® Customer Care equipped, so you're automatically elevated to join a select community that enjoys a full roster of benefits, enhanced owner support and member savings.

REFINED **CAPABILITY** FOR
EVERY ROAD AHEAD

POWERFUL FUN WHENEVER YOU'RE READY

TRAILHAWK® IN VELVET RED PEARL

JEEP® CHEROKEE 4x4 SYSTEMS

Every Jeep® Active Drive Four-Wheel-Drive (4WD) System features a unique disconnecting rear axle that adds efficiency to its exceptional capability. You'll experience a seamless transition in and out of 4WD, at any speed, adding welcome economies to a masterful, all-weather performance. No matter which Active Drive System you prefer, you'll enjoy authentic Jeep® Brand freedom that is purpose-built to keep you moving over snow, mud, ice, rain and sand.

JEEP® ACTIVE DRIVE I

A fully automatic system that delivers seamless operation in and out of 4WD at any speed. Jeep Active Drive I also includes brake traction control that works to maintain a balanced torque distribution, helping this system deliver an easy-to-use, all-weather boost in capability. Available.

JEEP ACTIVE DRIVE II

A two-speed Power Transfer Unit (PTU) offers torque management and 4WD Low Mode. This locks the front and rear driveshafts to deliver additional power at low speeds or for towing your toys. A driveline neutral switch enables you to hitch Jeep Cherokee to your RV and take it along. Additionally, off-roading benefits from a 1-inch increase in ride height and an incredible crawl ratio of 51:2 when paired with the available 2.0L Turbo I-4 engine (or a ratio of 48:1 when paired with the available 3.2L Pentastar® V6 engine), allowing Jeep Cherokee to climb steep hills and crawl over boulders with ease. Available on Limited and Latitude LUX.

TRAIL RATED® JEEP ACTIVE DRIVE LOCK

Includes everything in Jeep Active Drive II, plus a locking rear differential, providing even more capability and strength for severe off-road conditions, and a Rock Mode option. Standard on Jeep Cherokee Trailhawk® models.

Every Trail Rated® vehicle must successfully pass tests in five performance categories: Traction, Articulation, Maneuverability, Ground Clearance and Water Fording⁵. Standard on Trailhawk. With its Trail Rated status, Jeep Cherokee Trailhawk is primed to tackle the most challenging road conditions out there, and you're poised to face the road ahead with confidence.

Every Jeep® Cherokee equipped with available 4x4 capability arrives with a Jeep Selec-Terrain® Traction Management System, giving you the power to tackle Mother Nature's toughest conditions. This system pairs with your Jeep® Brand 4x4 systems to help adapt traction performance. Select your desired mode of traction control for help mastering challenging conditions during on- or off-road travels.

AUTO In this mode, Selec-Terrain does the work, automatically adjusting vehicle dynamics to best suit the road.

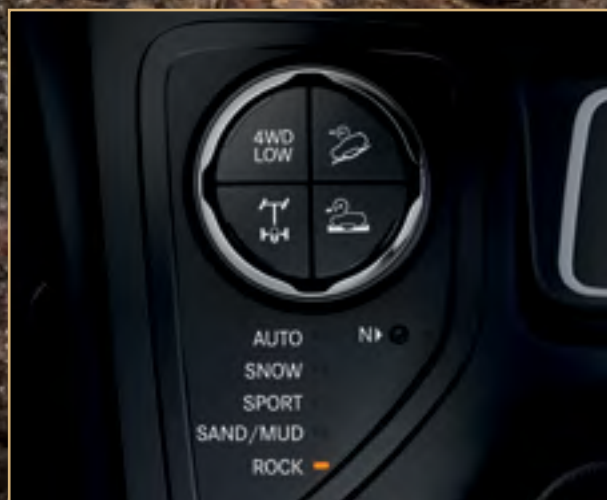

SNOW Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer.

SPORT Select this mode and you're automatically tuned to handle a more aggressive driving style.

SAND/MUD Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios.

ROCK Trail Rated® locking rear differentials allow you to crawl over rugged terrain at appropriately safe speeds. Exclusive to Trailhawk®.

THERE'S MORE TO **JEEP BRAND** POWERTRAINS

3.2L PENTASTAR® V6 ENGINE WITH ENGINE STOP/START (ESS) TECHNOLOGY This available workhorse is designed to deliver the kind of power needed to support all-weather travel over any terrain. Demanding drivers will appreciate its 271 hp and 239 lb-ft of torque — enough to reach a towing power of up to 4,500 lb when properly equipped.

271 HP
239 LB-FT
OF TORQUE

SELEC-SPEED® CONTROL A helpful feature that allows Trailhawk® to maintain a target speed of 1 to 5 mph while driving over obstacles, letting you focus on steering and safely navigating the road ahead. Standard on Trailhawk.

INDEPENDENT SUSPENSION SYSTEM Designed to be smooth and quiet on-road, tough and nimble off-road. Utilizes high-strength steel and aluminum and MacPherson struts — renowned for their strength and stability. Standard.

2.0L **TURBO** I-4 ENGINE

The 2.0L Turbo I-4 engine performs with V6 muscle and can tow up to 4,000 lb (when properly equipped), yet it sips fuel as an I-4 should. The direct injection boosts power, and Engine Stop/Start (ESS) technology, along with an overall vehicle weight reduction of 150 lb, helps optimize fuel efficiency. It's a perfect match of superior strength teamed up with welcome efficiencies. With its standard match to the 9-speed transmission, you'll enjoy strong takeoffs and smooth highway coasting.

489 HWY MILES⁶

23 / 31 MPG
CITY / HWY⁷

9-SPEED AUTOMATIC TRANSMISSION

From its quick launch to its smooth highway travel, you'll notice your ride remains calm and smooth. This confident performance occurs when each shift responds at the right time for each of the nine gearshifts. Thus, you experience a unique level of luxury. A distinctive set of four overdrive ratios helps maximize efficiencies while reducing overall noise and vibration. Economies are maximized, and performance is optimal at all times. You're finely attuned to nearly any driving demand, both on- and off-road.

LET INSPIRATION GUIDE YOU

LIMITED IN VELVET RED PEARL

REFRESH THE SENSES

The available CommandView® Dual-Pane Panoramic Power Sunroof, with its power sunshade, is more than an amazing way of looking at the world — it can take you to a new world of open-air freedom altogether.

LIMITED IN GRANITE CRYSTAL METALLIC

See more of the world in comfort with technology that informs and entertains while you cruise, knowing an all-new Jeep® Air Filtration System is working behind the scenes to filter 95 percent of air particulates. Welcome to the authentic style and capability of Jeep Cherokee.

Available premium leather-trimmed, heated seats and a premium-wrapped, heated steering wheel offer comfort in colder weather. Information seekers will enjoy seeing the big picture with available, premium tech features, including the Uconnect® 4 system.

ELEVATE YOUR **VANTAGE POINT**

- Standard 8.4-inch color touchscreen radio (all trims)
- Available 8.4-inch NAV radio
- Pinch-to-zoom display
- SiriusXM Guardian™⁸
- Apple CarPlay®⁹ support
- Android Auto™¹⁰ compatibility

LIMITED WITH BLACK PERFORATED LEATHER-TRIMMED SEATING

A high-angle, black and white photograph of the interior of a Jeep Cherokee Limited Elite Group. The image shows the front and rear seats, the steering wheel with the Jeep logo, the dashboard, and the center console. The seats are upholstered in black perforated leather. The overall aesthetic is modern and sophisticated.

TOUR **THE WORLD** IN COMFORT

Jeep® Cherokee Limited passengers will relish the comforts and conveniences of the new available Limited Elite Group. The 8.4-inch NAV radio adds navigation, and front-seat occupants will enjoy the cooling benefits of ventilation. 19-inch aluminum wheels, chrome tow hooks and a hands-free power liftgate complete the Group.

- 7-inch Multi-View Display cluster controls on the steering wheel

- Uconnect® 4C NAV radio with 8.4-inch touchscreen display

- Multi-View Display that instantly scrolls through vehicle data, accessed via steering-wheel buttons

LIMITED WITH BLACK PERFORATED LEATHER-TRIMMED SEATING

Properly secure all cargo.

A FULL RANGE OF ARRANGEMENTS

You can bring it all along for the ride. Chances are, when you're out there living on the go, you've got lots of gear in tow.

With up to 49 cu ft of storage while the rear seats are folded down, Jeep® Cherokee's roomy cargo area helps you stay organized when you're staying busy.

FOOTWORK THAT WORKS

When your hands are full of heavy groceries or suitcases, the hands-free power liftgate answers the call. With a swipe of your foot under the rear bumper, your liftgate opens. Just load everything on board and you're ready to go. Available.

PLENTY OF LIVING ROOM

Configurable 60/40 split-folding rear seats give you plenty of options. Flip down one or both of the split seats to accommodate people along with their gear of choice. Available.

The available configurable 7-inch Multi-View Display cluster controls on the steering wheel can instantly scroll you through a selection of vehicle data displayed within your instrument panel on an available 7-inch color screen. Multi-View Display data includes:

Vehicle Alerts — You'll receive visual notification for safety systems.

Fuel Consumption — View real-time data regarding efficiencies and when it's time to refuel.

Available Navigation — Turn-by-turn directions are displayed front and center for safe viewing.

Vehicle Info — Real-time data shows your vehicle's performance vitals, including engine temperature and fluid levels.

8.4-INCH TOUCHSCREEN DISPLAY

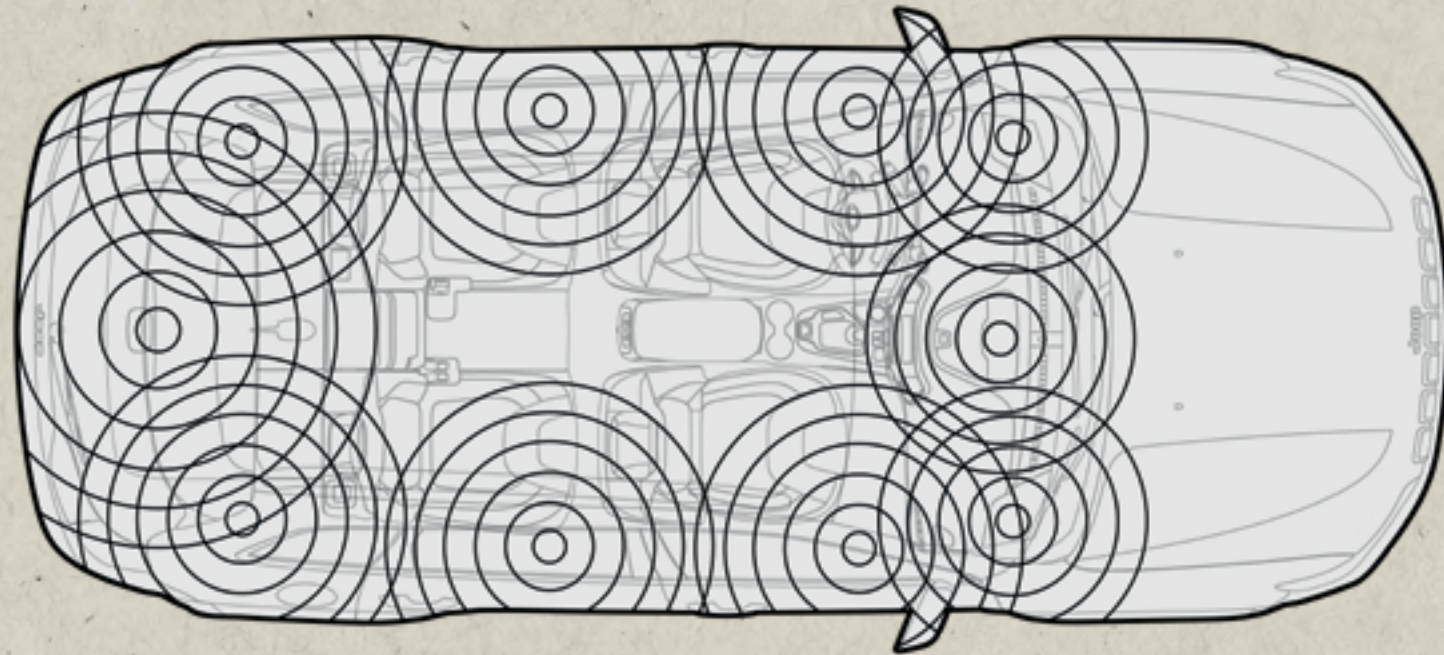

Inside this plush cabin, the available Uconnect® 4C NAV radio features a large 8.4-inch full-color touchscreen, Apple CarPlay®⁹ support and Android Auto™¹⁰ compatibility.

DRAG-AND-DROP MENU BAR

Customize the appearance of your Uconnect screen by dragging apps and controls to a position that suits you best. When you pair your smartphone with Uconnect, your smartphone's home screen will appear on your Uconnect screen with full touchscreen functionality.

AUDIO **ACHIEVEMENT**

NINE SPEAKERS AND AN 11-CHANNEL,
506-WATT AMPLIFIER

The available Nine-Speaker Alpine® Premium Sound System is known for its outstanding tonal balance and definition. This system helps create a haven of audio enjoyment, delivering an impressive, realistic sound experience. It features an 11-channel, 506-watt amplifier, nine perfectly placed speakers and an 8-inch subwoofer that work together in optimal harmony.

SURROUND **YOURSELF WITH**
PRO-QUALITY SOUND

SIRIUSXM® RADIO¹¹

Tune in and travel well. SiriusXM^{®11} connects you with the ultimate entertainment experience, including over 165 channels of commercial-free music, plus sports, news, talk and comedy. 6-month trial. Standard.

ACTIVE MEASURES

Sensors surround you to keep you informed and alerted to potential hazards.

PARALLEL AND PERPENDICULAR PARK AND UNPARK ASSIST²⁰ This active guidance system controls steering automatically. You can take your hands off the steering wheel and let the system's ultrasonic sensors help you ease into a parking spot as you gently brake and change from Reverse to Drive as needed. Includes ParkSense[®] Rear Park Assist²⁰ sensors. Available.

PARKVIEW[®] REAR BACK-UP CAMERA² When the vehicle is in Reverse, previously hidden objects are revealed on your Uconnect[®] screen so you have time to react. Standard.

PARKSENSE[®] REAR PARK ASSIST SYSTEM²⁰ Rear ultrasonic sensors determine relative distance to objects in your back-up pathway. Read-outs in the Driver Information Display provide notification of rear-object proximity and an audible warning is given. Available.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING³ Sensors detect when Jeep Cherokee may be approaching another vehicle too rapidly. An audible and visual alert is provided, along with 1.5 seconds of brake assistance if the driver does not react in time. Standard.

LANESENSE[®] LANE DEPARTURE WARNING WITH LANE KEEP ASSIST⁴ Tactile, visual and audible warnings are given should the vehicle drift outside of lane boundaries or if the driver's hands are off the wheel. Standard.

ADAPTIVE CRUISE CONTROL WITH STOP AND GO (ACC STOP)²¹ Take the guesswork out of keeping a safe distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Jeep[®] Cherokee to a complete stop without driver intervention to help avoid a collision. Available.

BLIND SPOT MONITORING (BSM)¹ AND REAR CROSS-PATH DETECTION² SYSTEMS These systems monitor the space between you and other vehicles. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors or an audible chime. Standard.

ALL-AROUND SOLID SYSTEMS

There's so much more to help keep you safe and secure in Jeep® Cherokee.

LED HEADLIGHTS See more of the road ahead in the darkness of night. LED headlamps shine 57 percent brighter than traditional lamps. Standard.

RAIN BRAKE SUPPORT Wet pavement can prove challenging to safe travel. This system automatically helps maintain optimal braking by keeping brake rotors dry in rainy conditions. Standard.

TRAILER SWAY CONTROL (TSC)²² Crosswinds and traffic hold no sway over you and your payload. This control system helps keep you and the toys you tow safely on course. Standard.

SENTRY KEY® ENGINE IMMOBILIZER A unique, embedded key code matched only to your vehicle helps keep your Jeep® Cherokee safely where you parked it. Standard.

SIDE-DISTANCE WARNING Parking in tight spaces can be tricky. Helps maneuver in tight spaces by providing an audible and visual alert when an obstacle is detected alongside your vehicle. Available.

UNPARK ASSIST²⁰ Controls the vehicle's steering while providing the driver with gear and braking instructions to help navigate. Available.

CURFEW ALERT Whenever your car is being driven outside of the curfew time you set, an alert on your smartphone will instantly let you know. Available.

SPEED ALERT Receive a notification on your smartphone whenever your vehicle exceeds a preset speed limit. Available.

VALET ALERT You're alerted if your valet-parked vehicle is driven more than a 1/4 mile from a drop-off zone. Available.

STANDARD AIR BAGS²³ Full-length side-curtain driver and front-passenger inflatable knee bolster air bags,²³ side-thorax air bags²³ and advanced multistage front air bags²³ all work together to help provide robust protection. Standard.

AUTHENTIC JEEP® BRAND VEHICLE ACCESSORIES

When it comes to Jeep® Cherokee, not all parts and accessories are created equal. As the official service, parts and customer care provider for the Jeep® Brand, only Mopar® Parts and Accessories can ensure the proper fit, finish and functionality. That's because they're original equipment, engineered by the same people who designed your vehicle, which means you can personalize your ride with complete confidence.

Mopar is also more than parts and accessories. We're here to help you properly maintain and care for your vehicle. Our certified technicians are trained to know your vehicle best, and our Mopar Express Lane service departments are set up to get you in, out and back on the road again. From parts and accessories to expert service and more, always be sure to choose Mopar. Learn more at mopar.com

JEEP® AMAZON STORE Browse an ever-changing collection of unique Jeep® Brand merchandise with your favorite shopping experience at Amazon.com, including items eligible for Amazon Prime. Start exploring at amazon.com/jeepstore

ADVENTURE AWAITS

BUILD YOURS >

(1) Always check visually for vehicles prior to changing lanes. (2) Always check entire surroundings visually before proceeding. (3) This system is solely an alert system for the front of the vehicle that does not take any actions to change vehicle dynamics to avoid a collision, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (4) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (5) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (6) Based on manufacturer's-estimated 23 city / 31 hwy / 26 combined mpg 2.0L Turbo I-4 engine with 15.8-gallon tank, 2WD. Actual mileage may vary. (7) Based on manufacturer's-estimated 23 city / 31 hwy mpg rating when equipped with 2.0L Turbo I-4 engine with 9-speed automatic transmission. Actual mileage may vary. (8) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (9) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (10) To use Android Auto on your car display, you'll need an Android phone running Android 6 or higher, an active data plan and the Android Auto App. (11) Your service will automatically stop at the end of your trial subscription unless you decide to continue service. If you do not wish to enjoy your trial subscription, you can cancel it by calling the number below. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. (12) Voice Text Reply feature requires a compatible mobile device that supports text messaging and Bluetooth. Visit www.UconnectPhone.com for system and device compatibility. (13) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (14) Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See dealer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (15) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. (16) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. (17) You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. (18) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Amazon, Alexa, and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. (19) Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. (20) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (21) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (22) Always drive carefully, consistent with conditions. (23) Always sit properly in designated seating positions with seat belts securely fastened at all times. (24) Not compatible with all garage doors. (25) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (26) Check state and local laws regarding the use of remote start systems. (27) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (28) Vehicle must be locked and system activated for alarm to sound. (29) Never operate the vehicle with the seats reclined to the extent that the seat belts are not secure and flat against your torso. (30) Non-luxury brands. Excludes other FCA US LLC brands. (31) Rental allowance (not to exceed \$35) is only for same-day mechanical repair or maintenance service (excluding bodywork). Vehicles kept overnight are not eligible. (32) Visit Mopar.com for complete details and a copy of the Basic Limited Warranty. (33) Visit Mopar.com for complete details and a copy of the Powertrain Limited Warranty. (34) See the Reward Terms and Conditions in the Summary of Credit Terms provided at time of application for details, including earning, redemption, expiration or forfeiture. Percentage back is earned as points.
